Order; and for other necessary relief. )

Docket No. 04-0195

**ERRATA TO NEW WINDSOR TELEPHONE COMPANY'S, BRIEF ON EXCEPTIONS**

*NOW COMES* New Windsor Telephone Company ("New Windsor") and, through its counsel, provides the following corrections to its Brief on Exceptions:

1. In a chart appearing at page 4 of New Windsor's Brief on Exceptions, New Windsor referred to a Company and Staff estimate relied upon by the Commission in its Order in Docket No. 03-0731. New Windsor stated that the Company estimate in Docket No. 03-0731 equaled \$0.87/month and that the Staff estimate equaled \$0.32/month. The cited Order actually does not identify a company estimate (since the company did not provide such an estimate in that docket), but identifies two Staff estimates of \$0.82/month and \$0.38/month, respectively. *See* Order in Docket No. 03-0731 at 7. New Windsor's error was inadvertent.

2. As a result, the reference to the company estimate in the chart on page 4 should bear the clarification that it is Staff's modification of the company's overall cost estimate, including transit and transport. More importantly, each reference to the \$0.87/month estimate should be and hereby is corrected to the actual \$0.82/month estimate and each reference to the \$0.032/month estimate should be and hereby is corrected to the actual \$0.38/month estimate. Those references appear on page 6.

3. Correcting this error does not change the substance of New Windsor's position or argument in its Brief on Exceptions. The number is not directly referred to in New Windsor's exceptions language.

4. New Windsor will file a corrected copy of its Brief on Exceptions if so requested by the Commission.

**WHEREFORE**, New Windsor respectfully requests that the Commission accept this errata as a correction to its Brief on Exceptions.

DATED this 17<sup>th</sup> day of August, 2004.

Respectfully submitted,

NEW WINDSOR TELEPHONE  
COMPANY
